House Update

The Corporation has been very busy the past few months in our quest for a place to call home. With the assistance of Clio alumni lawyers and financial specialists, we have been determining the financial and legal capabilities (and limitations) of the Corporation. As mentioned in a previous Museletter, we are investigating an opportunity presented to us by a Geneseo homeowner looking to sell a house just north of Main Street. We have had both alumni and actives tour the house and have received excellent feedback. We still have a long process ahead of us, but are cautiously optimistic about the progress of this recent opportunity. We will continue to keep you updated as the situation develops.

Jackie (Jadrovaska) Pacos '02

Treasurer's Report

Dear Sisters,

One large goal of this corporation is to find our beloved sorority a house, not only for the active sisters to enjoy, but for alumni to have a direct link back to Clio and Geneseo. Through your generous donations we have been able to raise a lot of money in the past, but we need your help now more than ever before.

Sending the Museletter electronically has helped to cut many of the costs of the corporation (thanks to all of you that have provided us with your e-mail!), but even with the money we have saved donations have also decreased over the past few years. Unfortunately it is solely up to us, the alumni, to fund a home and ensure Clio's future. As college graduation becomes a distant memory for some of us, it's often easy to get caught up in our every day lives. So year after year when we ask you for house donations, we hope that you will remember your Final Bid day and help to keep Clio "Geneseo's best sorority"!

If every alumnus donated just \$20 a year we would be much closer to ensuring that those great times and priceless memories we experienced will continue for girls at Geneseo for years to come. On behalf of the Corporation, we wish to thank you for your continued generosity and support in finding our beloved sorority the home it deserves!

Love-in-Clio,
Courtney (Cannan) Stern '05

Memories...

We received this email from Lois Evans and thought it would be interesting to share!

I'm a Clio from 64 years ago--graduating in the class of 1950---My class was the last class to live in the original Clio House owned by the Clios on Wadsworth Street. Our house was acquired by the state to build the dorms going down the hill from us. There was another house that was the infirmary also torn down at the same time. We were also the last class to graduate from Old Main. That complex along with the library was also torn down at the same time. The only remaining building on Campus is the Sturges building which was our only modern building on campus which we called the Adm. building. As to the money from the sale of the Clio House-- I understand that at some date Perhaps in the 60's --The Clios gave the college a Mace or something to be used by the Presidents at graduation.

Love in Clio,
Lois Evans '50

Congratulations to all!!

From our Active Sisters...

Hello Clios!

We are very excited for this upcoming semester! There are several new ideas we are implementing after a very successful meeting with the Inter-Greek Council Advisor, Wendi Kinney. First, we will be updating the Clio Constitution (something that has not been done since 2004.) There's a lot of positions and standards we plan on fixing in conjunction with the Corporation. Second, we will be creating a "Clio Contract" that all new members will sign at initiation, and all actives will be expected to as well. The contract will address expectations for active members regarding academics, behavior, and other sorority obligations. Third, we will be testing out a risk management position in sorority, added to the Vice President's current duties. Because Geneseo is constantly changing, we feel that it will be very beneficial to take certain precautions so that we can be pre-emptive and ensure that nothing will jeopardize the future of Clio.

In regards to charities for this semester, we are excited to report that we are making our annual Migrant Children's Christmas Party public on the Geneseo Campus. Our goal is to double the amount of gifts for each child through a "giving tree" in the college union with each child's gender and age on little ornaments. Also, we will be participating in the Livingston County Day of Caring.

As we are writing this, we are deep into the rushing process, and Final Bids is in 5 days! We got an unbelievable amount of first preferences for the fall, more than any of us can remember since being active, and we expect to be ecstatically reporting back to all of you an amazing fall 2011 pledge class!

This homecoming weekend (September 23 and 24) we have a breakfast with DK Friday afternoon at their house on 17 Franklin St., and then a party with Sig Tau at Sig Tau's house Friday night. (Located on the end of Orchard Street.) We have the usual wine and cheese get together at the house Saturday afternoon and then our party with DK at their house Saturday night. Please feel free to come by the house before the night parties to get ready/hang out before we all go down! Also, email our President, Jill Scalzo, (JES23@Geneseo.Edu) to set any sleeping arrangements up, confirm any plans or run any ideas by! Thank you and hope to see as many of you as we can!

Love-in-Clio,
Jill Scalzo '12

Letter from our President

As I was moving into 20 Wads with all my best friends to embark on my senior year, I had NO CLUE that two years later I'd be writing this letter. As most of you know, I'm slowly transitioning into the role of President, while Kristen Johanson transitions off. I don't quite know how I will fill her shoes; she has contributed tons of time to the Clio Corporation. Kristen, Clio cannot thank you enough for all you've done!

President is not the only position that is changing; in fact the Corporation Board is beginning many transitions as we move into the fall:

First, I would like to announce the election of Kaitlen Burns to the position of Museletter Chairperson. Kaitlen graduated from Geneseo in May and was the True Clio for the 2010-2011 year. She is going to be a great addition to our board. I must thank Angie Sayles for her dedication to this position and to Clio as a whole. Thank you for your countless hours and effort you have put into the sorority. The Corporation will miss you.

I'd also like to announce 3 new positions we are looking to fill:

The first is that of Vice President or Co-President. During my transition from Vice President to President, Abbey Clark was nice enough to be a Co-President/Vice President to help me. Abbey, thanks so much for your extra time and guidance. We are now looking for someone to take over the role of Vice President/Co-President. This role would entail working with me to ensure that all affairs are running smoothly and that we stay updated on all business involving the Corporation.

The second role is a newly created one - "Sorority Alumni Liaison". The role of the Sorority Alumni Liaison is to be a direct link between the active sisters and the Corporation. We feel this is an important role as we seek to better support the actives. The only requirement is to live close enough to Geneseo to travel to meetings twice a semester.

The third position we will be looking to fill is House Chairperson, as Jackie Jadrovska Pacos will be resigning. We are sad to see Jackie go as she has been a tremendous asset to the Corp board and we thank her for all of her work! This is a great role to have as we are actively working towards having a Clio house to call our own!

Please contact me for more details if you are interested in any position (krfelicione@gmail.com). And while the 3 open positions are that of VP/Co-President, Sorority Alumni Liaison, and House Chairperson, we could always use the help and involvement of our alumni. It's a great time to be involved with the Corporation, especially because of the 140th anniversary coming up!

I hope everyone had a great summer and has a fabulous fall!

Love-in-Clio,
Kristen Felicione '10

Website Update

GREAT NEWS! The website is now currently up and running! Please check it out at www.geneseo.edu/~clio. We are still working out a few bugs with the Member Bios, Photo Gallery and Guestbook pages, but all other information is up to date. We have been using a computer programmer outside of Clio to help us revive the website which makes it difficult for us to get things done in a timely manner. We would like to become more self sufficient and are asking that if there are any Clio Computer/Website Programmers (Or maybe husbands?) out there who might be able to help from time to time, that they please contact Amy Judson at amyjudson@yahoo.com. It wouldn't be a huge commitment but would help us out greatly. Thanks and we'll keep you posted!

Donations

Most can understand that finances may not be flush right now. However, if we can spare a little, why not give to our dear sorority, that has given us memories and bonds that we will cherish for the rest of our lives? The littlest bit given by each of us could add up to quite a lot; enough for Clio to get our own home and to honor our sisters no longer with us. The donations made since the Spring Museletter are much appreciated, \$422.00 total! The more we can give the better the chance of celebrating our 140th anniversary in a home of our own! If you can spare anything, please think of Clio.

As a reminder, donations are being accepted year round for both the House and Memorial Funds. Currently, donations can be made through Paypal, on the Clio website, www.geneseo.edu/~clio or by sending a check to the Corporation's new address:

Clio Corporation
1335 Jefferson Road PO Box 22921
Rochester, NY 14692

Checks can be made payable to **Alpha Clionian, Inc.** Please indicate on the memo line of your check if you would like to donate to the House Fund or a specific Memorial Fund.

Thank you for your continued support!
